Pre-existing medical conditions

Health restrictions apply – please read the important information regarding pre-existing medical conditions on page 7 of the policy. Your policy does not cover you if you are travelling against medical advice or to get medical treatment.

Adventure activities

Your travel insurance policy does not automatically cover you for all activities. Please refer to the activity descriptions on the web site at www.snowcard.co.uk. You must select the correct activity description for the sports you will be undertaking. If you are unclear which activity description you require please contact Snowcard for assistance.

Personal belongings

Your policy provides cover for loss, damage or theft of your personal belongings, money and documents and activity equipment however we may take an amount off for wear and tear. The policy also contains maximum amounts that can be claimed for individual items, valuable items and cash. Your policy provides full details of these limits. There are also restrictions on damage to fragile items and damage in use of certain sports equipment like kayaks, mountain bikes or equipment used in races or competitions. It is necessary for you to take more specific specialist insurance or extend your home contents insurance for high value or unusual items. Please refer to pages 10 to 11 of the policy.

Cancelling or cutting short your trip

Your policy provides for many but not necessarily all events beyond your control. You should note the definition of a 'close relative' in the insurance guide and policy wording. The policy health declaration will also apply to persons on whom a trip may depend. Before you cut short a trip and return home, you must contact Allianz Assistance on the emergency number provided before making arrangements.

Failure to obtain agreement to cutting short a trip may invalidate a claim. You must at all times follow advice issued on the Foreign, Commonwealth and Development Office website: <http://fco.gov.uk> particularly if travelling to a high risk region. Please refer to pages 12 to 13 of the policy.

What happens if I take out cover and then change my mind?

You can cancel this policy within 14 days from the date you receive the policy wording and policy schedule. We will then refund your premium in full less a £10.00 administration charge. Please note that, for a single trip policy, a refund of premium is only available if the period from the date of issue of the policy to the scheduled return date home is greater than 28 days.
